An aerial, high-angle photograph of a hotel courtyard at night. The courtyard is paved with light-colored tiles and features a large, irregularly shaped swimming pool in the center. The pool is illuminated from below, creating a bright, glowing effect. Surrounding the pool are various outdoor furniture, including lounge chairs and tables. The courtyard is enclosed by a brick wall with large, arched windows. A staircase with a metal railing leads up from the courtyard to an upper level. The overall atmosphere is warm and inviting, with the warm tones of the brick and the cool tones of the pool water creating a balanced visual.

BY THE SEA & THE DOCK

An Address by the Ocean

Across the road from the beach, beside the historic catamaran dock.

Hotel Catamaran Bay sits on the Negombo Road at Poruthota, Kochchikade — right across from the beach, by the fishing dock where traditional catamarans still set out at dawn. It is the collection's beachfront address, easygoing and full of light.

Sun-filled rooms look out over the pool or toward the water, each with a private balcony. Days drift between the beach, the pool and the terrace, at the gentle pace of the coast.

A swimming pool and sun terrace sit at the heart of the hotel, framed by warm brick and timber, while a bar and ocean-facing terrace catch the evening breeze.

For those who wish, the full Ayurveda offering of the collection's Retreat is a short drive away — pairing beach days with genuine wellness.
