A PRIVATE HIDEAWAY

The Feel of a Private Home

A handsome villa framed by flowering gardens and calm canal waters.

Tucked along Kattuwa Road in Eththukala, beside the tree-lined Hamilton Canal, White Sail Villa is the collection's boutique hideaway — designed for guests who want the feel of a private home.

The villa sits directly across the street from the Ayurveda Retreat, so the Retreat's swimming pool, restaurant and full treatment centre are only moments away.

Handsome interiors open under vaulted timber ceilings to flowering gardens and a sun terrace, with the calm canal just beyond the gate.

It is a favourite of returning European guests — the privacy of a villa, with genuine Ayurveda and warm, personal service on the doorstep.
